#### Seller's Disclosure Statement

#### **Instructions**

These Instructions are to assist the Seller in completing the required Seller's Disclosure Statement in order to comply with the District of Columbia Residential Real Property Seller Disclosure Act.

#### 1. Who must complete the Seller's Disclosure Statement?

The Seller must complete the Statement him or herself (not the broker, management company, condominium association, cooperative association, or homeowners association).

#### 2. The Seller must provide the Seller's Disclosure Statement to the Purchaser for the following transactions:

The Act applies to the following types of transfers or sales of District of Columbia real estate:

- a. Where the property consists of one to four residential dwelling units;
- b. The transaction is a sale, exchange, installment land contract, lease with an option to purchase, or any other option to purchase; and
- c. The purchaser expresses, in writing, an interest to reside in the property to be transferred.

#### 3. The Seller does not need to complete the Seller's Disclosure Statement for the following transactions:

- a. Court ordered transfers;
- b. Transfers to a mortgagee by a mortgagor in default;
- c. Transfers by sale under a power of sale in a deed of trust or mortgage or any foreclosure sale under a decree of foreclosure or deed in lieu of foreclosures;
- d. Transfers by a non-occupant fiduciary administering a decedent's estate, guardianship, conservatorship or trust;
- e. Transfers between co-tenants;
- f. Transfers made to the transferor's spouse, parent, grandparent, child, grandchild or sibling(or any combination of the foregoing);
- g. Transfer between spouses under a divorce judgment incidental to such a judgment;
- h. Transfers or exchanges to or from any governmental entity; and
- Transfers made by a person of newly constructed residential property that has not been inhabited.

#### 4. When does the Seller's Disclosure Statement have to be provided to the Purchaser?

In a sale, before or at the time the prospective transferee executes a purchase agreement with the transferor. In an installment sales contract (where a binding purchase contract has not been executed), or in the case of a lease with no option to purchase, before or at the time the prospective transferee executes the installment sales contract or lease with the transferor.

#### 5. What information must the Seller disclose?

Answer ALL questions on the Seller's Disclosure Statement. If some items do not apply to your property, check "N/A" (not applicable). If you do not know the facts, check "UNKNOWN". Report actually known conditions referred to in the questions. Each disclosure must be made in "good faith" (honesty in fact in the making of the disclosure). Attach additional pages with your signature if additional space is required.

The Seller of a condominium unit, cooperative unit, or a lot in a homeowners association, is to provide information only as to the Seller's unit or lot, and not as to any common elements, common areas or other areas outside of the unit or lot.

#### 6. What is the remedy if the Seller does not provide the Seller's Disclosure Statement to the Transferee?

If the Seller's Disclosure Statement is delivered after the purchaser executes the purchase agreement, installment sales contract or lease with an option to purchase, the purchaser may terminate the transaction by written notice to the seller not more than five (5) calendar days after receipt of the Seller's Disclosure Statement by the purchaser, and the deposit must be returned to the purchaser. The right to terminate is waived if not exercised before the earliest of:

- a. The making of an application for a mortgage loan (if the lender discloses in writing that the right to rescind terminates on submission of the application);
- b. Settlement or date of occupancy in the case of a sale; or
- c. Occupancy in the case of a lease with an option to purchase.

# 7. If the Seller finds out different information after providing the Seller's Disclosure Statement to the Purchaser, how does this impact a ratified contract?

If information becomes inaccurate after delivery of the disclosure form, the inaccuracy shall not be grounds for terminating the transaction.

#### 8. How must a Seller deliver the Seller's Disclosure Statement to the Transferee?

The Seller's Disclosure Statement must be delivered by personal delivery, facsimile delivery, or by registered mail to the transferee. Execution by the transferor of a facsimile is considered execution of the original.

The seller(s) completing this disclosure have owned the property from:
