SALE: DISCLOSURE AND ACKNOWLEDGMENT OF INFORMATION ON LEAD-BASED PAINT AND/OR LEAD-BASED PAINT HAZARDS

For the sale of the Property at: 5209 Milland St, Springfield, VA 22151

Lead Warning Statement

Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.

Seller's Disclosure (initial)

RESIDENTIAL PROPERTY DISCLOSURE STATEMENT

REQUIRED NOTICE FOR BUYER TO EXERCISE NECESSARY DUE DILIGENCE

The Virginia Residential Property Disclosure Act (§ 55.1-700 et seq. of the *Code of Virginia*) governs the information owners must disclose to prospective purchasers of residential real property. Certain residential property transfers are excluded from the requirements (see § 55.1-702). Information below found in § 55.1-703:

- 1. CONDITION:** The owner(s) of the residential real property makes no representations or warranties as to the condition of the real property or any improvements thereon, or with regard to any covenants and restrictions, or any conveyances of mineral rights, as may be recorded among the land records affecting the real property or any improvements thereon, and purchasers are advised to exercise whatever due diligence a particular purchaser deems necessary including obtaining a home inspection, as defined in § 54.1-500, a mold assessment conducted by a business that follows the guidelines provided by the U.S. Environmental Protection Agency, and a residential building energy analysis, as defined in § 54.1-1144, in accordance with the terms and conditions as may be contained in the real estate purchase contract, but in any event, prior to settlement pursuant to such contract.
- 2. LOT LINES:** The owner(s) makes no representation with respect to current lot lines or the ability to expand, improve, or add any structures on the property, and purchasers are advised to exercise whatever due diligence a particular purchaser deems necessary, including obtaining a property survey and contacting the locality to determine zoning ordinances or lot coverage, height, or setback requirements on the property
- 3. ADJACENT PARCELS:** The owner(s) makes no representations with respect to any matters that may pertain to parcels adjacent to the subject parcel, including zoning classification or permitted uses of adjacent parcels, and purchasers are advised to exercise whatever due diligence a particular purchaser deems necessary with respect to adjacent parcels in accordance with terms and conditions as may be contained in the real estate purchase contract, but in any event, prior to settlement pursuant to such contract.
- 4. HISTORIC DISTRICT ORDINANCES(S):** The owner(s) makes no representations to any matters that pertain to whether the provisions of any historic district ordinance affect the property and purchasers are advised to exercise whatever due diligence a particular purchaser deems necessary with respect to any historic district designated by the locality pursuant to § 15.2-2306, including review of (i) any local ordinance creating such district, (ii) any official map adopted by the locality depicting historic districts, and (iii) any materials available from the locality that explain (a) any requirements to alter, reconstruct, renovate, restore, or demolish buildings or signs in the local historic district and (b) the necessity of any local review board or governing body approvals prior to doing any work on a property located in a local historic district, in accordance with terms and conditions as may be contained in the real estate purchase contract, but in any event, prior to settlement pursuant to such contract.
- 5. RESOURCE PROTECTION AREAS:** The owner(s) makes no representations with respect to whether the property contains any resource protection areas established in an ordinance implementing the Chesapeake Bay Preservation Act (§ 62.1-44.15:67 et seq.) adopted by the locality where the property is located pursuant to § 62.1-44.15:74, and purchasers are advised to exercise whatever due diligence a particular purchaser deems necessary to determine whether the provisions of any such ordinance affect the property, including review of any official map adopted by the locality depicting resource protection areas, in accordance with terms and conditions as may be contained in the real estate purchase contract, but in any event, prior to settlement pursuant to such contract.

- 6. SEXUAL OFFENDERS:** The owner(s) makes no representations with respect to information on any sexual offenders registered under Chapter 23 (§ 19.2-387 et seq.) of Title 19.2, and purchasers are advised to exercise whatever due diligence they deem necessary with respect to such information, in accordance with terms and conditions as may be contained in the real estate purchase contract, but in any event, prior to settlement pursuant to such contract.
- 7. DAM BREAK INUNDATION ZONE(S):** The owner(s) makes no representations with respect to whether the property is within a dam break inundation zone and purchasers are advised to exercise whatever due diligence they deem necessary with respect to whether the property resides within a dam break inundation zone, including a review of any map adopted by the locality depicting dam break inundation zones.
- 8. WASTEWATER SYSTEM:** The owner(s) makes no representations with respect to the presence of any wastewater system, including the type or size thereof or associated maintenance responsibilities related thereto, located on the property and purchasers are advised to exercise whatever due diligence they deem necessary to determine the presence of any wastewater system on the property and the costs associated with maintaining, repairing, or inspecting any wastewater system, including any costs or requirements related to the pump-out of septic tanks, in accordance with terms and conditions as may be contained in the real estate purchase contract, but in any event, prior to settlement pursuant to such contract.
- 9. SOLAR ENERGY COLLECTION DEVICE(S):** The owner(s) makes no representations with respect to any right to install or use solar energy collection devices on the property.
- 10. SPECIAL FLOOD HAZARD AREAS:** The owner(s) makes no representations with respect to whether the property is located in one or more special flood hazard areas and purchasers are advised to exercise whatever due diligence they deem necessary, including (i) obtaining a flood certification or mortgage lender determination of whether the property is located in one or more special flood hazard areas, (ii) reviewing any map depicting special flood hazard areas, (iii) contacting the Federal Emergency Management Agency (FEMA) or visiting the website for FEMA's National Flood Insurance Program or for the Virginia Department of Conservation and Recreation's Flood Risk Information System, and (iv) determining whether flood insurance is required, in accordance with terms and conditions as may be contained in the real estate purchase contract, but in any event, prior to settlement pursuant to such contract.
- 11. CONSERVATION OR OTHER EASEMENTS:** The owner(s) makes no representations with respect to whether the property is subject to one or more conservation or other easements and purchasers are advised to exercise whatever due diligence a particular purchaser deems necessary in accordance with terms and conditions as may be contained in the real estate purchase contract, but in any event, prior to settlement pursuant to such contract.
- 12. COMMUNITY DEVELOPMENT AUTHORITY:** The owner(s) makes no representations with respect to whether the property is subject to a community development authority approved by a local governing body pursuant to Article 6 (§ 15.2-5152 et seq.) of Chapter 51 of Title 15.2 and purchasers are advised to exercise whatever due diligence a particular purchaser deems necessary in accordance with terms and conditions as may be contained in the real estate purchase contract, including determining whether a copy of the resolution or ordinance has been recorded in the land records of the circuit court for the locality in which the community development authority district is located for each tax parcel included in the district pursuant to § 15.2-5157, but in any event, prior to settlement pursuant to such contract.

- 13. MARINE CLAYS:** The owner(s) makes no representations with respect to whether the property is located on or near deposits of marine clays (marumsco soils), and purchasers are advised to exercise whatever due diligence a particular purchaser deems necessary in accordance with terms and conditions as may be contained in the real estate purchase contract, including consulting public resources regarding local soil conditions and having the soil and structural conditions of the property analyzed by a qualified professional.
- 14. RADON GAS:** The owner(s) makes no representations with respect to whether the property is located in a locality classified as Zone 1 or Zone 2 by the U.S. Environmental Protection Agency's (EPA) Map of Radon Zones, and purchasers are advised to exercise whatever due diligence they deem necessary to determine whether the property is located in such a zone, including (i) reviewing the EPA's Map of Radon Zones or visiting the EPA's radon information website; (ii) visiting the Virginia Department of Health's Indoor Radon Program website; (iii) visiting the National Radon Proficiency Program's website; (iv) visiting the National Radon Safety Board's website that lists the Board's certified contractors; and (v) ordering a radon inspection, in accordance with the terms and conditions as may be contained in the real estate purchase contract, but in any event prior to settlement pursuant to such contract.
- 15. DEFECTIVE DRYWALL:** The owner(s) makes no representations with respect to the existence of defective drywall on the property, and purchasers are advised to exercise whatever due diligence they deem necessary to determine whether there is defective drywall on the property, in accordance with terms and conditions as may be contained in the real estate purchase contract, but in any event prior to settlement pursuant to such contract. For purposes of this disclosure, "defective drywall" means the same as that term is defined in § 36-156.1.
- 16. LEAD PIPES:** The owner(s) makes no representations with respect to whether the property contains any pipe, pipe or plumbing fitting, fixture, solder, or flux that does not meet the federal Safe Drinking Water Act definition of "lead free" pursuant to 42 U.S.C § 300g-6, and purchasers are advised to exercise whatever due diligence they deem necessary to determine whether the property contains any pipe, pipe or plumbing fitting, fixture, solder, or flux that does not meet the federal Safe Drinking Water Act definition of "lead free," in accordance with terms and conditions as may be contained in the real estate purchase contract, but in any event prior to settlement pursuant to such contract.
- 17. IMPOUNDING STRUCTURES OR DAMS:** The owner(s) makes no representations with respect to the condition or regulatory status of any impounding structure or dam on the property or under the ownership of the common interest community that the owner of the property is required to join, and purchasers are advised to exercise whatever due diligence a particular purchaser deems necessary to determine the condition, regulatory status, cost of required maintenance and operation, or other relevant information pertaining to the impounding structure or dam, including contacting the Department of Conservation and Recreation or a licensed professional engineer.
- 18. AIRCRAFT NOISE:** The owner makes no representations or warranties with respect to the property's proximity to a public use airport nor any noise from aircraft due to the proximity of the property to flight operations. The Federal Aviation Administration is responsible for managing the national airspace system, including aircraft flight paths. Purchasers are advised to exercise whatever due diligence a particular purchaser deems necessary to determine whether a property is within proximity to a flight path or public use airport aircraft noise zone, including contacting (i) the locality or public use airport and reviewing any available maps depicting public use airport aircraft noise zones or (ii) the Department of Aviation or visiting the Department of Aviation's website, where any such maps, if made available by localities or public use airports, shall be accessible to the public (Department of Aviation Website: <https://doav.virginia.gov/noiseContours/>).
